BEST IN SHOW: SGCH Sir Echo Britti, Sandy Van Echo

Thanks to everyone who contributed by entering animals in the club show, helping to sponsor a breed or making other donations. Early accounting suggests that we will come out a bit ahead. Charlotte will be putting together the final figures once we get milk test billing completed. We had 13 does entered in the milk test.

A special thanks to Harriet for providing the awards for the senior doe show winners. They were filled with surprises, useful and tasty items. Also special thanks to June Johnson who was ring steward for both fair and CC events on Friday, and to Teri Moreno who was ring steward for the CC on Saturday. We also appreciate Bev Lonchar and Tina Mascarenas who served as show secretaries. Without the efforts of those of us who volunteer, we could not have our show. Next year our judge should be able to start in the morning on Friday so that the day won't be so long. I'm working on judges for our next show in April 2017!

Betty
